#### 1 Introductory Statement

This Accessibility Plan (**Plan**) has been drawn up in consultation with staff parents and pupils of the Academy and covers the period from **September 2022 – September 2023**. The plan is available in large print or other accessible format if required.

The plan takes account of the Academy's public sector equality duty set out in section 149 of the Equality Act 2010.

We are committed to providing an environment which values and includes all pupils, staff, parents and visitors regardless of their educational, physical, sensory, social, spiritual, emotional and cultural needs. We are further committed to challenging attitudes about disability and accessibility and to developing a culture of awareness, tolerance and inclusion.

#### Background

The Academy's layout and facilities

The Academy is committed to making reasonable adjustments to allow disabled pupils to access educational provision at the Academy. The Academy has accessible classroom and toilets on every site. LPA is a site on one ground floor only

The Accessibility Plan should be read in conjunction with the following policies, strategies and documents:

- Academy prospectus
- disability equality scheme
- equal opportunities policies
- health and safety policy
- special educational needs policy

The Plan will be monitored through the EDI team and the academy council.

Welcoming and preparing for disabled pupils

Where it is practicable to make reasonable adjustments to enable a prospective pupil to take up a place at the Academy and to satisfy the current admissions criteria, the Academy is committed to providing those reasonable adjustments where able to do so.

In order to meet the needs of disabled pupils, the Academy requires full information. The Academy will ask prospective pupils to disclose whether they have received any learning support, have had an educational psychologist's report or have any disability or other condition of which the Academy should be aware. In assessing the pupil or prospective pupil, the Academy may need to take advice and require assessments as appropriate. The Academy will be sensitive to any issues of confidentiality.
