

Primary Outreach Placement

A place on the Lansdown Park Academy Outreach programme offers your child 12-15 weeks of bespoke intervention support in the child's own mainstream setting. The package is based on need and steered by information from schools and observations. The offer also includes training for mainstream staff support and training to put successful strategies in place for the student to ensure ongoing success.

We offer:

- Bespoke intervention to meet the needs of the child
- Social, emotional, and mental health support from expert staff to nurture a sense of belonging
- Strategies to build on learning experiences
- Additional training and coaching for staff to help vulnerable children in the mainstream setting

Collaborative games
& Lego Therapy

Sensory
interventions

Sensory circuits

Emotional
literacy
coaching

We aim to:

- Identify what your child needs and put in the appropriate support so they can succeed in their mainstream school
- Improve social outcomes for your child
- Help your child build relationships with other children and adults
- Help them on their path to better educational outcomes and gaining better sense of safety and belonging in their school
